Exceptional Education for All

About Kenley Primary School

Kenley Primary School is a one-form entry school of 165 pupils, set within a unique and spacious site. It is a friendly, nurturing and community-focused school with high expectations for all pupils. We provide a stimulating and happy environment in which staff, parents and governors work together to enable the school to provide a creative, balanced, and meaningful curriculum, which ensures all children receive what they need to thrive. We are a vibrant school that does our absolute best to ensure all our children flourish throughout their time with us, thriving as individuals as well as achieving their academic potential, ready for their secondary school education and beyond.

Kenley Primary School pupils are hard-working, confident and respectful, with a desire to achieve the best they can every single day. We prioritise giving children opportunities to enrich their academic learning through sport, music and the arts, alongside visits, residential trips, visitors and speakers, clubs, competitions and events. We offer leadership opportunities to ensure that our children have a voice throughout their time at our school through our active Pupil Parliament, with annual pupil elections taking place across Years 1 to 6. Our school values of Ambition, Community and Responsibility are at the heart of everything we do and these values support our children to not only strive for their best academically but also to develop into well-rounded, kind and empathetic members of their community. Our children understand that differences are to be celebrated and actively promote the Kenley Way of: *Be Ready, Be Respectful and Be Safe*.

We have wonderfully spacious grounds, including an established forest school, complete with a pond, fire pit and large nature trail. There are many areas for outdoor learning including our EYFS, Year 1 and nurture provision outdoor areas, an outdoor classroom, two separate, well-equipped playground areas and a large school field. We have a separate dining room, which is also used as a dedicated cooking area, a separate computer suite, as well as iPads that are used to support learning within and outside of the classroom. The Treehouse, our developing nurture provision, includes indoor and outdoor spaces where children can receive personalised learning and interventions including counselling and art therapies, as well as lunchtime clubs. Our newly updated library, the Reading Retreat, gives children a space to be inspired and further develop their love for reading as we believe this is crucial to their academic success and personal development.

Our staff team are dedicated, friendly and work collaboratively to achieve the very best for all our pupils. The size of our school means that we all know our community well, building strong, supportive relationships with children, parents and carers throughout a child's time at Kenley Primary School. High-quality and well-supported staff are crucial for the success of our children and we offer comprehensive ongoing professional development through our CPD programme and Performance Development processes to ensure that children are provided with the best possible teaching and support.

It is always our aim to appoint colleagues that share our vision, values and commitment to making a difference to our pupils. About The Collegiate Trust

TCT has grown out of *Riddlesdown Collegiate*, a large, **outstanding** (OFSTED, March 2023) secondary school in Croydon with a longstanding reputation for high standards and an exceptional education. Since 2015, our Trust has been growing and, today, we are a family of 8 schools with c.6000 pupils and 800+ employees. The planned addition of a further secondary school will bring our Trust to c.7000 pupils and c.1000 employees.

Our strong culture of ambition is focussed clearly on **PEOPLE** and **LEARNING**. We ensure that the best interests of all those in our communities are always at the heart of our decision-making.

The work of *The Collegiate Trust* is informed by our core values: **Ambition and Collaboration**, leading to **Achievement and Enjoyment**.

There are three particular themes that drive our work and can be described as our *keys to success*:

Partnership – We work hard to cultivate strong professional relationships with each other, with our pupils, with their families and the wider community as we see this as the foundation on which our Trust is built.

Progress – To us, progress means much more than academic improvement. We place a great focus on personal and professional growth for all members of our community and it is this emphasis on continuous improvement that enables our pupils to fulfil their potential.

Preparation – Whether for the next stage of education, for work or for a future that is uncertain, it is our view that the prime purpose of school is to prepare young people for the rest of their lives. It is our intention to prepare all pupils to achieve their goals and to go on to enjoy happy and successful futures.
