About our School

Welcome to Rockmount Primary School

Rockmount is a happy, friendly school situated very close to the vibrant Crystal Palace triangle. We greatly value our very strong and diverse school community and work hard to ensure good relationships are built on support, kindness and consideration for all.

From the first day a child attends, our priority is to provide a safe, caring and stimulating environment for them to learn and grow. We seek to provide aspirational and creative opportunities for them to discover their individual potential and to excel. Pupils are encouraged to explore their own interests to support them in the development of high self-esteem and a passion for continuous learning.

Rockmount provides a strong academic platform for pupils within a school ethos which is firmly embedded in wellbeing for all. Our partnership with families is essential in helping to build a clear picture of every child as an individual and in helping to shape the future development of the school. We actively encourage a close partnership between home and school so that parents and carers can be involved in their child's education and in school life. Everyone is appreciated for their contribution to the school community and is supported to make their way towards a purposeful and fulfilled life as we move forward in an ever-changing world.

With high expectations, we are committed to fulfilling our motto, "All Can Achieve". This is the central premise of all that happens in our school.

Our school environment is well developed to support the exciting curriculum we offer. We have a dedicated music room housing an array of musical instruments to support the wide-ranging musical opportunities which are co-ordinated by our specialist music teacher. Our grounds are well loved by our children with the Edible Garden, pond area and fire pit, greenhouse and polytunnel, outdoor gym equipment and the 'pods' for quieter play and reflection. Upper Norwood Recreation ground is opposite our school and we make good use of the green open space it offers us.

We have a dedicated Governing Body; our governors are very much a part of the school and reflect the skills and expertise needed to lead and support us. All governors engage in relevant training and development and are frequent visitors during the school day. We have a good balance of external, parent/carers and staff governors and we are fortunate that our parent governor elections usually have several candidates.

Our children participate in a wide variety of popular and successful clubs and groups, much of which is provided internally. We operate our own Rockmount Children's Club (RCC) which provides wrap around care for our pupils. This is a high quality and extremely popular provision.

Our last Ofsted Inspection was way back in May 2015 when we were graded Outstanding in all areas. We are eagerly awaiting an imminent inspection and hoping that the hard work and dedication of the school community in building on the good practice over the past ten years will be acknowledged.

Please do look at our school website which provides a wealth of information about how Rockmount is organised and a window into the memorable learning experiences our children enjoy.
